DOCKETED

DOCKETED BY

IN THE MATTER OF THE APPLICATION OF  
NACO WATER COMPANY, LLC FOR A  
PERMANENT INCREASE TO ITS WATER  
RATES.

DOCKET NO. W-02860A-13-0399

**STAFF'S REQUEST TO SUSPEND  
TIME CLOCK**

**ORIGINAL**

Naco Water Company, LLC. ("NWC" or "Company") filed an application for a rate increase on November 20, 2013. The application was found sufficient on February 10, 2014. Prior to sufficiency, the Utilities Division ("Staff") of the Arizona Corporation Commission ("ACC" or "Commission") issued data requests to the Company on December 23, 2013; January 3, 2014; and January 28, 2014. The Company through its counsel declined to respond to Staff's data requests prior to sufficiency.

Upon the finding of sufficiency, Staff agreed to reset the time for the Company to respond to the issued data requests. Following sufficiency, Staff issued an additional data request on March 7, 2014. Despite many indications that the data requests would be supplied, the Company has failed to do so.

In light of the length of time taken and the continuing lack of response to Staff's data requests, Staff would request that the time clock in this matter be suspended indefinitely. The information requested is necessary for Staff to perform its review of the application and the lack of response prevents Staff from processing the application further. Consequently, Staff believes that a suspension of the time clock is appropriate.
